BAR WHAT?

BarCampNola is a local incarnation of the international network of user generated conferences called BarCamps. It is an ad-hoc gathering bringing talented people together in one location to exchange ideas, build connections, and launch shared projects or initiatives. Best of all, it's free to attend!

"The experience of BarCampNola is one that will leave you re-energized whether you're a newbie or a vet. Now a local tradition, BarCampNola showcases the amount of talent and the sense of community that oozes out of the NOLA tech scene." NewOrleansTech.Net

WE NEED YOUR SUPPORT

Your generous support pays for food, stickers, t-shirts, an after party, and a 2nd day community project. None of the event organizers are paid. All of the money you give goes 100% towards the event. Our 2nd day project is not revealed until the day of the event, but each year has gathered 60+ people of all disciplines together to work on a single common goal.

LAST YEAR, BARCAMPNOLA 7 WAS THE BEST ATTENDED TO DATE WITH OVER 215 ATTENDEES, MAKING IT THE LARGEST FREE TECH CONFERENCE IN NEW ORLEANS.

ALL EYES ON YOU

We strive every year to highlight our sponsors as often as possible. Here are some examples:
- Mention and display your logo at MiniBar on June 9. Around 75 attendees expected.
- Add your logo on our epic website
- Print your logo on the back of the famous T-shirts you see around town
- We will send you some social media love tweets
- Mention and display your logo at BarCampNola 8. Around 250 attendees expected.

The max donation this year is $500. This is higher than in years past because we expect a much larger crowd, and we can only fit around 20 sponsors on the T-shirt.
